

Crocodile Dock VBS

VBS is coming to SBC Monday Aug. 9 to Thursday Aug. 12 at 6:30 pm.

VBS is always a lot of fun for the kids who attend and for those who help out.

I have been touched over the years by comments from families in our community who bring their children to participate. They are always in awe and impacted by the number of people who give of their time and resources to help.

I have often heard comments that the attention and love their kids receive while they are here is greatly appreciated. Many are astounded at the numbers of teens who help out voluntarily. Beyond that, they are simply touched that we have people helping from as young as junior high right up to our wonderful seniors. Nothing better demonstrates and facilitates unity of purpose and Spirit then when we all come together across age groups and stations in life to bring the love of Christ to kids in our community.

Crocodile Dock VBS presents the kids with a clear gospel message – that Jesus died for their sins. What a humbling and awesome responsibility we have as Disciples of Christ to make sure the children in our community know they can choose life over death.

If you have not already expressed your desire to help out with VBS this year, you can contact me in the church office and let me know when and how you would like to help.

If you are unable to help because you are traveling or simply not able to, you can still be a part of this year's outreach by donating items needed and by prayer.

Please be in prayer for each child that will attend that they will meet God in a new and profound way. Pray for the leaders that they will ooze the love of Christ on the children and their families. Pray for those who are preparing for and will lead the kids in each of the stations each evening. Pray for unity among the leaders and a clear understanding of our purpose and mission. Pray for lives to be changed – for children (or even adults) to come to a saving knowledge of Jesus Christ, our Lord and Savior. That they may have life and have it abundantly!!!!

Most of all, praise God for all he has done, is doing and is yet to do. – Kelly Taylor
